BENEFICIARY

welcome

Philadelphia magazine's Design Home® 2012 is ready for your visit! This year's incredible home was created with today's family in mind and the results are truly special. Built by **BENTLEY HOMES**, the home is "right-sized" so that the open spaces are tailored to the family's needs. In the pages that follow, **JAY GREENE PHOTOGRAPHY** has brought the home to life. You'll see what our sponsors have contributed to make each room both functional and beautiful.

project partners

▼ BENTLEY HOMES

Tom Bentley was "the kid who wanted an electric circular saw and a hammer for his birthday," and his homes are proof that his heart lies in every project. Founded in 1974, Bentley Homes is the home design leader of the western suburbs of Philadelphia and the Chester County countryside. Tom is known for his elegant Main Line style and sensitivity to natural elements. Bentley Homes understands the needs of its homebuyers and creates timeless designs and solid value, making a Bentley Home a tremendous long-term investment.

All proceeds benefit the Philadelphia Ronald McDonald House.
Call 215-387-8431 or visit www.phillymag.com/designhome.

► WEIXLER PETERSON LUZI INTERIOR DESIGN

Weixler Peterson Luzi is an award-winning company, widely renowned on Philadelphia's Main Line and throughout Bucks and Chester counties. The team offers a full spectrum of interior design services ranging from pre-construction planning to the final ornamental details of residential and commercial projects.

▲ MCINTYRE CAPRON ARCHITECTS

For over 25 years, McIntyre Capron Architects have been designing and renovating homes for both classic and modern sensibilities. Located on Philadelphia's Main Line, the group designs projects that are simultaneously traditional on the outside with features, floor plans, and amenities that respond to the needs of today's homebuyers.
